

COOKING EQUIPMENT READ ME FIRST GUIDE

BURKETT USED GUARANTEE

Burkett's reconditioned equipment is repaired to its recommended manufacturer use. All reconditioned equipment is inspected and undergoes rigorous testing prior to being sold. All reconditioned equipment is covered by a 90-Day Parts and Labor Warranty when installed in a commercial kitchen.

For assistance with your Burkett reconditioned equipment purchase, contact our Customer Service Department at 800-828-8564 or by email at customerservice@burkett.com.

DAY OF DELIVERY CHECKLIST

- Inspect for freight damage day of receipt.
- Report any damage to Customer Service Department within 48 hours of the delivery.
- Keep all packaging during the 30-day return period or until any delivery concern is resolved.
- File Operator Manual and Product Guide for future reference.

INSTALLATION AND START-UP

1. Supply correct gas pressure, through a regulator, for correct operation.
2. Do not turn on the heating elements, with units that require water, until proper water level is achieved.
3. Professional Installation is required on products with water connections, 208V or higher and high altitude locations to ensure warranty remains valid.
